James:

Thanks for your great promotion of the Monster Mash Blood Drive. It was great to see the donors coming in. We received 105 donations on Saturday. This is the kind of drive in which everyone can have a good time while saving lives.

Yvonne and I enjoyed the chance to get to know the "face behind the voice." We look forward to working with you again. (I'm glad the Aggies won on Saturday.) South Texas Blood & Tissue Center appreciates your on-going support of its lifesaving mission. Thank you again for your community spirit.

Dear Jeff:

The volunteer Board of Directors for Crime Stoppers would like to take a moment to "thank you," as a representative of our local Media.

Victoria Crime Stoppers, Inc. began in 1984 with the "Tip Line" installed at the Police Department. The "Tip Line" allows citizens to anonymously offer vital information for unsolved crimes. Once the crime is solved, the callers may be given a cash reward for their information. Since inception Crime Stoppers tips have solved 730 cases, arrested 485 suspects, and helped in the recovery of over 1.1 million dollars in stolen property and illegal narcotics. Over \$57,000 in cash rewards have been paid to the callers.

Victoria Crime Stoppers, Inc. is a tax exempt, non-profit organization. As such, we depend entirely upon individuals like yourself for your support in making this organization as successful as it is. All of us with Crime Stoppers want you to know how much we sincerely appreciate the support you have offered to further the promotion of this Community Program through the media.

Again, thank you for giving of your time to Victoria Crime Stoppers, Inc. We look forward to working with you in the future.

Dear Ladies and Gentlemen:

Thank you for making the Adult Services' Third Annual Spring Festival a great success! Your donations were very much appreciated by the clients. They look forward to this festival every year and relive the events over and over in their minds and through the photographs which are taken during the festival. A great time was had by all, including staff! Without your donations, we could not have made this festival a momentous event for them.

Also, Devereux-Victoria would like to thank you for your community support of our system. If you would like to visit our facility, please give me a call and we would be happy to give you a tour.

Dear Friends,

It has been several weeks since the display of the Vietnam Wall was here in Victoria.

This extremely emotional as well as educational experience was visited by over 47,000 people, and could not have been possible without your help. Your input and participation was most certainly helpful in making this a true success.

All of our funeral homes and cemeteries will be eternally grateful for your time and efforts contributed to this worthwhile cause.

February 2000

Greetings!

A lot has been said in the past several months about the passage of time. We've recently experienced a unique New Year, and are fast moving forward in a new millennium. Before time gets away from us, we at Bonneville want you to know how sincerely we appreciate the time your station has given to our 1999 public service messages.

Finding quality time to spend with family remains a constant challenge to individuals in your community, as well as communities across the country. The objective of the "Family. Isn't it about...time?" HOMEFRONT campaign is to remind people how they can utilize "pockets of time" to improve their relationships with family members. By airing this campaign, you and your station have helped your viewers by reminding them to take the time to nurture their family relationships.

Please accept this clock with our thanks for your support of our campaign, as well as our very best wishes to you for a happy and successful 2000, filled with enough time to spend with those you love.

Sincerely,

Subject: Broadcaster Support

To whom it may concern:

Making the live classical music meaningful and accessible to a broader segment of the community is a central focus of the Victoria Symphony. Local broadcasters help our organization achieve this goal.

Many of the local radio stations promote the Victoria Symphony on their live broadcasts. Both television and radio encourage on air visits from staff of the orchestra in addition to remote broadcasts. The local television station, KAVU, commits staff and studio time to the production of quality commercials for promotion of the Symphony. The results of exposure on both radio and television have helped our orchestra create effective communications and attract new audiences.

The Victoria Symphony is currently celebrating its 30th season. The success of the Symphony is due to the support of the citizens of Victoria, both private and corporate, and includes largely the support of local broadcasters.

Dear Rene & Shelley:

The year 2001 certainly had its unforgettable events. All of us were stunned by the tragedy of September 11, and then further astonished by the outpouring of charity and concern from the citizens of this great country. It was simply amazing!

Equally amazing to us is the wonderful response we get each year from our Trim-A-Tree promotion, now completing its 13th year. Thanks to you, the Lacks associates, and the participating charitable groups, we have collected over 80,000 pounds of food (that's 40 tons!) and distributed this to community food banks and similar organizations throughout Texas and Oklahoma.

Two quick Trim-A-Tree stories. One, there was a woman I met in San Antonio who came into the store each day with a can of food to cast her vote for her favorite tree. She said she always selected the tree that had the least amount of food under it that day. Second, my wife, Janey, was returning a rental car this week. One of the people at the store came over to her and said he volunteered at Christ's Kitchen, a "free" meals operation here in Victoria. He said he was working the day that the Lack's people brought over the food from Trim-A-Tree and he said, "You can't believe how much that will mean to us. The amount you brought was unbelievable. We can't thank you enough."

Stories like that make us realize that our efforts are important, individually and collectively. We are so grateful to you and your organization for working with us and for helping to make it a successful event. Thank you and we look forward to working with you again. All the associates at Lack's wish you and your families a very happy and healthy 2002.

Victoria TX 77903-4929

Dear Jeff Pryor:

On April 26, and 27, 2002 the American Cancer Society held it's sixth annual Relay For Life at the Victoria High School track. We had hoped to raise \$115,000, which would have been an increase from our \$108,600 in 2001. Imagine our surprise when the books closed and we found that we had raised over \$151,000! While our team count remained the same for both years— around 133 teams, the way teams raised their funds have turned into a 12 month long project. This year over 5,000 luminaria lined the track creating a truly awesome display. Professional musicians and school entertainment groups in addition to other local individuals donated their time & talent to make this all night family environment event fun and exciting. The most emotional moment of the evening came when the 208 Cancer Survivors and their caregivers took to the track for the Survivor's Lap. The visual impact of the exciting group as they rounded the track drove home our life saving message – ***Early Detection Saves Lives!***

This could not have been accomplished without your Sponsorship contribution.

We owe you so much and this official event tee shirt seems so little! While we have only a limited supply remaining, we would love to share them with you. Please contact Cathy at 578-2849 for size availability.

For the 1376 Relay participants, 1500+ spectators, 208 Survivors and 50+ individuals who donated their time to make this years event happen, I say "Thank you". For the 3,885 adults and 2,274 children in Victoria County this past year that we provided information about cancer prevention, early detection and risk reduction, I say "Thank You". And for the over 850 cancer patients from Victoria County that we worked with last year alone, I say an even bigger "Thank You"!

Respectfully yours,

Dear Jeff,

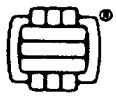

On behalf of the Victoria Symphony Society, I want to thank you and KAVU-TV for your contribution that made our *Symphonic Spooktacular* possible. Despite the rain, the concert was a success with a very enthusiastic crowd. We have received many comments on how much the dancers and Ronald McDonald added to the presentation. We thank you for partnering with us to bring this annual event to the families of the Crossroads area. We applaud your commitment to the arts!

Sincerely,
